

A LEAP FORWARD

in standardized AAV titer determination

- Dependable & reproducible AAV titer quantification
- Specific recognition of intact rAAV particles
- Available for serotypes 1, 2, 5, 6, 8, 9
- Validated assays for standardized approaches
- Damage-free rAAV purification with OptiPrep™

PROGEN
passion for research

SELECT FROM OUR PORTFOLIO OF AAV TITRATION ELISAs!

Product	Cat. No.
AAV1	PRAAV1
AAV2	PRATV
AAV5	PRAAV5
AAV6	PRAAV6
AAV8	PRAAV8
AAV9	PRAAV9

PROGEN offers a line of AAV quantification ELISAs utilizing its portfolio of capsid-specific AAV antibodies.

Our assays for the determination of rAAV2 and rAAV8 titers have been validated in international studies^{1, 2}.
